**MASTER
YOUR FUTURE**

IT'S TIME TO TAKE THE NEXT STEP

Rayhan College of Optometry & Health science

Rayhan College of Optometry had its inception in the year 2009. Spreading across in acres of land, this college delivers highest level of academic excellence and infrastructural facilities molding quality professionals time to time.

The conducive environment provided by the college enables every student to achieve excellence in their chosen field of specialization. The zestful atmosphere encourages every student to develop and achieve his/her rational and intellectual powers.

The existing college building has got a wide built up area with campus having impressive labs, latest edition of all books of renowned authors and lecture halls with sophisticated teaching modalities. We also provide homely hostels where sumptuous food is cooked and served hygienically.

OUR AIM

Our aim is to pursuit intellectual and professional excellence for the transformation of each individual for his /her enrichment and for the services of humanity. The infrastructure and educational resourses have constantly been updated to meet the growing academic requirements.

With remarkable laurels in curricular and extracurricular spheres, the college has been able to position for itself a concrete hold in the educational field.

OUR VISION

To be recognized among world class Health institutions by delivering High quality services.

OUR MISSION

Deliver the service with utmost care and compassion from a group of highly trained and experienced doctors who work to enlighten the world from darkness to light.

To continually deliver quality health care built on a foundation of ethical medical practice
